

Our website is the heart of the Chamber

The GSCC website is an easy to navigate portal, so you can find the information that you require, when you need it. It's a member one stop shop.

www.gsccl.com.au

Our modern website provides our members with:

Details of all our upcoming events

The ability to book and pay for events via our online credit card facility

A Members Directory search function to find any member businesses

An individual and customisable profile page for their business

A dedicated resources portal with information that may assist their business growth and development

Any current special member offers that may be available

Plus loads more!

Why join the Chamber?

 networking opportunities

 sponsorship opportunities

 information events

 social events

 member-only discounts

 plus the chance to join the leading business association in our area

Throughout the year, GSCC provides multiple opportunities for member engagement and promotion at events, including: Business After Hours (BAHs), breakfasts, luncheons and dinners.

These events, held at least once a month, provide our members with fantastic networking opportunities and the environment to meet potential business partners, referrers and clients who all share a similar interest and goal in building and shaping this vibrant, growing community.

Our Chamber often has visitors from both the local and wider community and genuinely provides our members with potential prospects for business growth. Our membership has many benefits and includes a designated page of our modern website where our members can promote their businesses to other members and interested parties.

What our members say...

"We're proud to be a member and an annual partner. Without the support of the Chamber and Chamber members, AMS would not be where it is today."

Anna Sayers, Director
AMS Insurance Brokers

"Since joining the GSCC in July 2017, we have made many business contacts, which has resulted in new Clients for our company. The GSCC is very professionally organised and are welcoming to new members. We would highly recommend any business or business person to be part of this wonderful chamber."

Debbie Harris, Owner
3D Collections
